

PRESERVING OUR TRADITION, BUILDING OUR FUTURE

OMICRON CHAPTER OF PHI KAPPA TAU

Dear Brother <<Last Name>>,

Omicron changes lives...and now you have an opportunity to leave a permanent legacy of your time at Phi Kappa Tau.

Just as bricks lay the foundation to buildings, fraternities are the foundation to friendships, leadership development and coming of age in college. As part of our Building Men of Character campaign to renovate the house and raise scholarship funds, we are also creating a new front porch that will include a brick patio and walkway. This addition will add tremendous curb appeal to the house, be a great location to host events and provide an awesome space for undergraduates to spend time. In fact, they have helped to pay for this project with their pledges to the capital effort. We are selling bricks so that you can always be part of Omicron, whether you get to State College once a month, once a decade or haven't been back since graduation.

Your brick can have your first name, last name and initiation year or you can purchase a brick

in honor of your pledge class or an individual member. We will be dedicating the patio at Homecoming, Saturday, October 12th, with a ceremony. If you place your brick order by September 15th, your brick will also be part of the initial patio laying this fall. We will offer the opportunity to add a brick each semester. Bricks are \$150 each and you can order your piece of Phi Kappa Tau history below. Don't miss the chance to be part of this special effort and commemorate your time at Omicron.
